OBJECTIVE

Aspiring Full Stack Java Developer with a solid foundation in Java and Object-Oriented Programming (OOP). Proficient in Spring Boot for backend development and currently strengthening expertise in Data Structures & Algorithms (DSA) and Frontend Development.

EDUCATION

Bachelor of Engineering in Electronics and Communication

S. G. Balekundri Institute of Technology, Belagavi, India.

Dec. 2021 – May. 2025

CGPA–8.35

Pre-University

Government Pre-University College, Bailhongal.

Jun. 2019 – Apr. 2021

Percentage–85.33%

High School

Oxford English Medium School, Bailhongal.

Jun. 2015 – Apr. 2019

Percentage–91.6%

PROJECTS

Journal App

- Created a static, responsive clone of the Amazon homepage using HTML and CSS, focusing on layout structure and visual design accuracy.
- Reproduced key sections such as navigation bar, banner sliders, product cards, and footer to mirror the original UI.
- Applied CSS flexbox and grid to build complex layouts with scalable, maintainable styling.
- Emphasized pixel-perfect design and clean code practices, showcasing attention to detail and UI development proficiency.

Banking Application

- Built a scalable and secure banking backend in Java using Spring Boot with RESTful architecture for user registration, login, money transfers, and loan management.
- Secured endpoints using Spring Security and JWT, enabling role-based access for Admins and Customers.
- Designed a relational MySQL database with JPA/Hibernate for managing Users, Accounts, Transactions, and Loans.
- Wrote unit and integration tests using JUnit and Mockito to verify service behavior and controller-layer accuracy.
- Documented RESTful APIs with Swagger (OpenAPI) and validated functionality using Postman; ensured code quality with Sonar Cloud.

EXPERIENCE

KodNest Pvt. Ltd., Bangalore

Web Development Intern

- Successfully completed a hands-on internship focused on frontend development using HTML, CSS, and JavaScript.
- Gained practical experience in building responsive web layouts, implementing UI components, and following design principles.
- Collaborated in a learning-driven environment with mentorship from industry professionals.

SKILLS

Languages: Java(Core Java and Av.Java), HTML/CSS, MySQL

Developer Tools: VS Code, IntelliJ, Git & GitHub, Postman and GitHub Actions.

Backend: Spring Boot, REST Apis, JUnit Testing, Mockito Testing, SonarQube-Cloud

Professional Strengths: Planning, Time management, Team player, Adaptability.

CERTIFICATIONS

- JAVA programming – Beginner to Master, Udemy, June 2024
- Basics of SQL programming and Data manipulation with the use SQL, Udemy, June 2024
- Spring Framework 6 and Spring Boot 3, Udemy, June,2025
- Web Development Internship Certificate | KodNest & VTU | Feb–May 2025 | Bangalore | USN: 2BU21EC021 | ID: KODHD03VJ

PERSONAL DETAILS

Father Name: Liyaqatali Tigadi.
